Zu allererst:

Wir sind sehr stolz, dass Sie unseren neuen Katalog '#handlesandmuchmore' in den Händen halten.

Unser Ziel ist es zusammen mit Ihnen die Möbel der Zukunft zu kreieren.

Wir wollen alle Trends in unserer schnelllebigen Welt bedienen - aber noch viel mehr wollen wir Trends setzen und Ihnen den Vorteil bieten einen Schritt voraus zu sein.

Wir benutzen zeitgemäße Materialien - Recyclingfähigkeit, Nachhaltigkeit und geringes Gewicht sind unsere Hauptaugenmerke.

Deshalb arbeiten wir z. B. mit Polymeren, Leder, Aluminium oder Bioplastik.

Unser Team bemüht sich nicht nur Knöpfe und Griffe für Möbel zu kreieren und zu fertigen - wir wollen Ihnen einen Mehrwert geben und unsere Vorteile in den vielfältigen Oberflächentechniken auch für Designelemente, Regalbodenhalter, Garderobensysteme und vieles mehr anbieten.
#handlesandmuchmore eben!

Unser Logo ist vielfältig - so vielfältig wie unser Team und unsere Möglichkeiten.

Hinter jedem Logo steht der Fingerabdruck einer Führungskraft aus unserem Team - und dieses Team steht für all die tollen Ideen in diesem Katalog!

SMD wünscht Ihnen viel Spaß beim Durchblättern unserer Trends 2019/20!

Danke für Ihr Vertrauen!

First of all:

We are very proud that you are holding a copy of our new catalogue "#handlesandmuchmore" in your hands.

It is our aim to create together with you the furniture of the future.

We want to follow all trends in our fast moving world - but much more than this we want to set trends - and we want to give YOU the advantage to be one step ahead.

We use contemporary materials - recycle capability, sustainability and light weight are our main focus.

That's why we work with materials like polymers, leather, aluminum and bioplastics.

Our aim is not only the creation of the latest knobs and handles for furniture - we want to give you an added value - offering our many surface technologies and colours also for new design - elements, shelf supports, coat racks, and much more.
#handlesandmuchmore!

Our LOGO is diverse - as diverse as our team and our possibilities are.

Behind each Logo is the fingerprint of one of our executive team, and this team is behind all the good ideas in this catalogue!

Enjoy our new catalogue - and the trends 2019/20!

Thank you for your trust!

Frame 20

FRAME20 - preisgünstiges Designelement für den Industrial Look. Erhältlich in vielen Farben, von Schwarz matt bis Chrom glänzend oder Gold matt. Mit oder ohne Zierschrauben!

Der Vorteil für Sie liegt sprichwörtlich auf der Hand - nämlich im Gewicht... wir machen die Möbel leicht - und leistungsfähig.

FRAME20 is an affordable design solution to reach an industrial look. Available in many colors, from black mat to chrome or gold matt. With or without decorative bolts!

The advantage is to carry no weight... FRAME20 is a light weight solution - we want to make furniture light - and affordable!

← Available in endless sizes (L-W) →

Coatrack #1

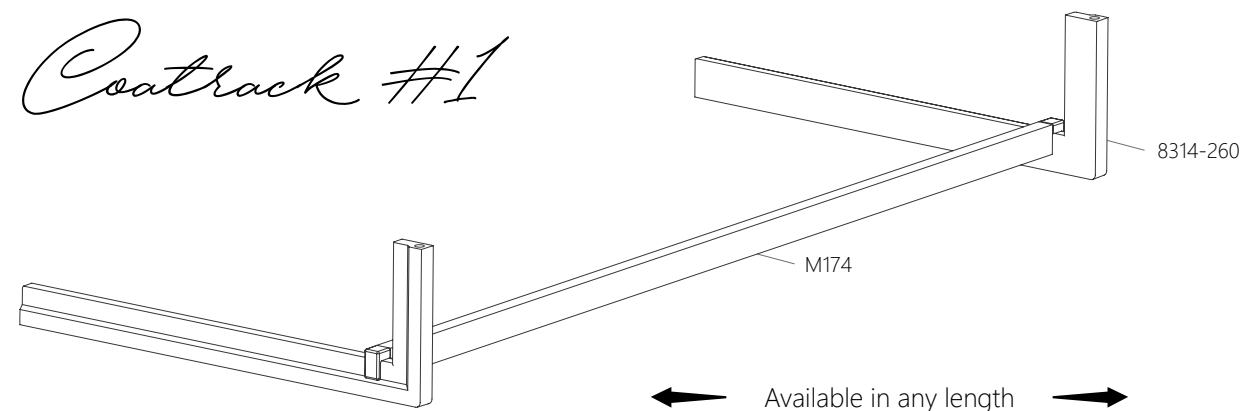

Griffe, Knöpfe, Haken, Profile... und jetzt auch unsere Garderobe, coatrack #1 in der selben Farbwelt!

Egal ob Vintage oder Schwarz matt - von uns bekommen Sie alle Produkte "aus einem Guß". Coatrack #1 ist aus Polymeren gefertigt - für mehr Stabilität sorgt ein Aluminiumkern.

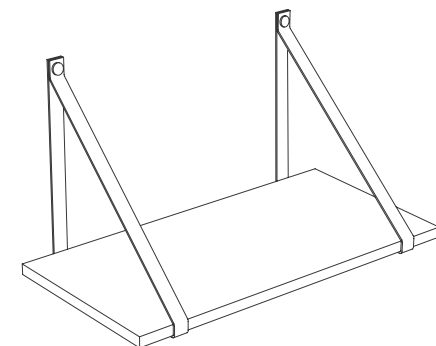

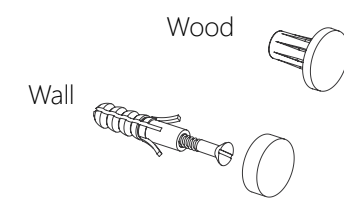

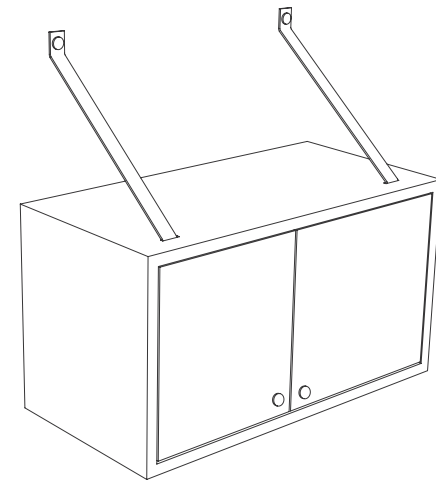

Handles, knobs hooks, profiles... and now also our wardrobe, coatrack #1 - all available in the same homogeneous colour and effect!

Vintage, black mat or whatever - from us you get all products as if made from one piece. Coatrack #1 is made out of polymer - with an aluminum core, which provides more stability.

WOOD BRUSHED COLLECTION

Hier präsentieren wir Ihnen
unsere neue Kollektion
"WOOD BRUSHED".

Natürlich kann nichts
die Natur übertreffen...

Aber Polymer hat Vorteile - Farbechtheit,
absolut unempfindlich gegenüber Wasser und Dampf,
plus hohe Stabilität - bei konkurrenzfähigem Preis.

Viele Farben sind hier möglich,
verschiedene Bürstungen - auf Griffen, Knöpfen,
Sockelfüssen und Profilen...

Unser Material setzt den Anwendungen keine Grenzen.

Here we present you
our new collection
"WOOD BRUSHED".

Naturally nothing is better
than Mother Nature...

But polymer has advantages - colour fastness,
no problems with steam or water
high stability and strength at competitive prices.

Many colors are possible here,
different brushes - on handles, knobs,
furniture feets and profiles ...

This material can be used without limits!

BIO - weil für uns Nachhaltigkeit wichtig ist.

Biokunststoffe sind Produkte aus erneuerbarer Biomasse - und wir sind stolz ein Pionier auf diesem Gebiet in der Möbelindustrie zu sein.

Viele unserer Standardartikel sind in diesem neuen Material erhältlich.

Bio - because sustainability is important to us.

Bioplastics are plastics derived from renewable biomass sources and we are proud to be a pioneer in green products in the furniture sector.

Many of our standard products are available in this new material.
